**Description of Work To Be Performed**

The following is the current schedule of activities and anticipated completion dates. Any circumstances that may alter the dates further should be discussed with the OSC.

- Provide internet service.
- Provide potable water service for the office.
- Provide security guards for off-hours, including weekends, holidays and Site closures due to the holiday week.
- Provide for waste management of on-site operations.
- Continue destruction of spent and soiled totes.
- Consolidate all empty containers into one area and crush.
- Continue the consolidation of solids left in containers following removal of liquids.
- Continue preparing containers for shipment.
- Place and consolidate all tires inside the structure.
- Continue transport and disposal under T&D Subcontract #SF1867-707.
- Coordinate with subcontractor the proper removal of wastes identified under Subcontract #SF1867-707 to appropriate disposal facilities.
- Conduct appropriate measures for the removal and disposal of soiled PPE, metal, and debris.
- Situate the drum crushing operation as to not contaminate surrounding soils.
- Review metal recycling firms in the Glassboro area to determine recycling options.

Continue to provide OSC with 1900-55's, off-site hour reports, and daily activity reports. **Draft 1900-55s shall be delayed no more than 2 weeks of services.**

Follow Region 2 Green policies to include recycling of paper waste. Follow recommendations outlined in Region 2 *Clean and Green* Policy. This includes authorization for additional electrical charges which are supplemented by alternative energy sources.

Ensure the Health and Safety of all Kemron personnel on-site.

**I certify that the above work is ordered and authorized in the performance of the above cited Task Order.**

**I acknowledge receipt of this work order.**
